

The Nine Races of Laurus

[Audeo](#) is a game of daring adventure in a dangerous land of fantasy not unlike Dungeons and Dragons. The mechanics are heavily focused on the idea of the gamble, and what you will dare (or risk) for victory. All of this intense action takes place in a wonderous fictional world that exists within the player's imaginations. This world is populated by nine major races, six of which reside in the Crowned Valley and three more that ventured into the deep dark of the Underground.
