Note: Passers

When a NPC is listed as a "PSH" (Pure Strain Human, one with no mutations) this denotes that this is how they present themselves. Some mutant humans, to enjoy the privileged status that PSH individuals have in many communities may, if they have no outwardly appearing mutations, hide the fact that they have mutations, and pass as a PSH. Thus a character listed as a PSH may actually be a mutant human passing ("Passers" in the parlance of The Lands) as a PSH, or simply appear as a PSH on first contact.

The Show

The NPC's traveling with The Show.

Guards
The Show employs guards to keep everybody safe, as few of the merchant PCs or crew are particularly good at fighting.

Elvir

Elvir was originally a member of a community from the western reaches, but they were wiped out with few survivors who were scattered to the wind. She now uses her psionic powers and fighting skills to work as a guard for the Show, and she's been with the troupe for much of the current journey. She mostly keeps to herself, but has proven quite bold on the couple of occasions that the group has been threatened, clearly acting with a bit of insanity.

Ferp

Ferp is a furry humanoid that the group picked up much more recently, hailing from one of the many villages of his kind in the southern coastal swamps. Unlike Elvir, he's quite talkative when engaged. It's hard to say if it's mutation, or if it's just part of the variation of his kind, but he's far tougher and stronger than his kind seem to usually be and they tend to be pretty tough and strong. At least according to the mutant human who put you in contact with him. He currently wields a big piece of metal he found on the road (before that he used a wooden club), and he's been willing to be equipped with something better. Ferp is simply adventurous, and wants to see the world a bit and make his fortune before returning home to his swampy village to find a mate.

Crew

Most of the crew are nameless currently.

Leyel

A young passer woman from Alalit, daughter of Tavan and Mazarin, who seems to be fascinated with Digger. She has joined The Show with her mother's grudging approval as part of her flee of Alalit.

Lafiana

Formerly a perennial challenger for the chief position in Bay Village on Horse Bay, Lafiana was convinced that her talents would be of more use as a member of the crew of The Show. She is now interested in possibly becoming leader of Digger's mining operation outside of Grubport.

Lanu

Mutant mouse-oid, likely an archivist, who followed the PCs into the aquatic base. Lanu has been convinced to travel with The Show to Grubport by Heli. Apparently Ferdi (below) is looking for Lanu for some reason.

Shorty

Shorty is a bot from the aquatic laboratory near Bay Village on Horse Bay (part of the overall complex formerly run by the Pylon God CAM that spans the bay).

Passengers

Rhobert

Grubport native from a formerly important family. Khawip is a mutant human. Has inherited an "accident mine" from his father, which makes him suddenly wealthy and important. He has decided to hand over operation of the mine to Lafiana, however, so that he can travel with The Show, and has removed himself from the matchmaking this year.

Khawip

Khawip is singularly well travelled amongst the folk of the Peninsula, having been to the Citadel of Thought, and the Kraal home cave, amongst many places. The Grubport locals seem to think his squamous in the Central Lands have made him effeminate, despite clearly actually being a pretty tough customer in some ways. Thankful to Heli for guiding him with regards to the matchmaking and his estate, and getting him on board The Show.

Young Orlan

Son of Orlan, and likely next to rule it. Seems simultaneously prejudiced and provincial, and yet open-minded enough to think that maybe Kaiser isn't the worst thing that could happen to the Peninsula, and also not all that interested in taking a mate. Happy that Squiddy convinced his father that he should be allowed to wait a year before marrying by taking him on The Show.

Mazes

The leader of the male hissing who managed to break away from their queen. Pictured as he was first discovered, relaxing on the floor of Mazarin's basement.

Cooris

Male servant of Loosis. Cooris had been tasked with helping the PCs find the males, but broke free of Loosis' control. Cooris is a mutator from the base tissue stock, with colorful crests on his head and arms.

Zeebell

Possibly more accurately referred to as cargo than a passenger, Zeebell is a currently deactivated warior android first encountered at the aquatic lab base near Bay Village on Horse Bay.

Grubport

Townside

The townfolk are all Pure Strain Humans (or possibly passers) unless otherwise mentioned.

Urag

The head of the Urag family, the rulers of Grubport. While putatively run by a council of elders of the most important families of Grubport (who make their fortunes upon the back of the old mined aircraft carrier that comprises Grubport), this family is detested by all of the others. According to sources, Urag is gambling weapons to create some sort of personal army.

Young Urag

Young Urag is the son of the elder. He is clearly fond of his vices, and not a skilled gambler, having lost considerable trade chits at the gaming tables at The Famous Root and elsewhere.

Urag's Daughter

Daughter of the elder Urag, this one is cold, rapid, and grasping. Not particularly bright, her only thoughts are of her own security and comfort. She previously sought to marry Khawip to obtain the wealth of his mine.

Betok

Matrarch of the Betok clan, brought relatively low a couple of generations ago by the Urags. She is seeking help getting Urag to get Chert to give her son a good match of a wife.

Young Betok

The charming son of the Betok matrarch, he is taken a bit with Greenstream's Daughter, but worries that she may be a mutant.

Chersh

A "Sorceress" who works with Urag and the other families of Grubport to maintain order. She runs an annual matchmaking festival at which she matches members of the various families of the Peninsula Tribes together by words from Down. At the most recent affair she worked with the PCs to create favorable matches for a couple of families, since Down did not seem to be present.

A Lightkeeper

One of the priesthood of Down in Grubport. This one came into The Famous Root and gave a doomsaying type proclamation about the fact that Raymount's power was dwindling.

Salmon

Leader of a group of Grubporters who perform religious rites at festivals and other various events. Asked if his group could play on the stage of The Show, and was manipulated by Squiddy into arguing with Heralid Khan about matters of belief. Clearly a devout Downite.

Altit

Rumored to be from Army Crossing, Altit is suspected of being an agent provocateur, or at least a criminal sent in by one of the border lords to sow chaos. Altit is known to run games of chance, including "table races" of small mutant animals at The Famous Root, and knows how to get in touch with Doc Potamus. Urag suspects Altit of being involved in much more nefarious stuff than just gambling, and wants his in out of Grubport.

Victor

Proprietor of The Famous Root, the only drinking establishment in Grubport. Victor's father was the only surviving member of an expedition to the ruled city in which Seybranch exists, and he returned with a huge section of root. The same root for which the bar is named, and which hangs on it's wall, dripping sap continually from which "one sip" is made, a potent concoction that has variable effects on different drinkers, but is clearly linked to Seybranch's immense mental abilities.

Archivists

The archivists are thought to have a lair somewhere in the vicinity of Grubport.

Ferdi

Ferdi is a skunk-oid that flies a Dragonhopter, and is looking for Lanu.

Zina

Musical (like Lanu) dancer that was looking for Lanu on the festival day near The Show while pretending to be performing for the crowd. Lanu has implied that she is very competent and even dangerous.

Peninsula Tribe

This section covers members of the tribe from outside of Grubport.

Visiting Grubport

The following Peninsula tribe folk are visiting Grubport currently, because of the festival of matchmaking that is going on there.

Takak

The son of the Chief of all of the "Peninsula Tribes" (which actually is a small set of the overall thinking peoples of the peninsula). Takak is a boy of 16, considering his options for marriage and succeeding his father.

Olkan

Head of the Olkan family from the village of Stonefield. A former captain of the Peninsula Guard, Olkan is fairly set on his ways. He's very interested in marrying off his children, and is particularly uncaring of his daughter's Case MIA.

Case MIA

Going by the name of Black, rumor has it that this mutant's real name is Caag, and he's been motivated by somebody to stay Heralid Khan.

Paven

A "painted woman" mutant human encountered in Grubport.

The Patrol

Comprised, apparently, of a handful of squadrons of mounted armored pure strain humans, the unit that the PCs has met is lead by one Lieutenant Sone. They claim to protect the entirety of the Peninsula (which does not include Alalit), apparently with the seat of their government being in the center of the Peninsula, a place called Meadow Folk.

Lieutenant Sone

Here Sone is seen in his armor, but sans helmet as he was at Mazarin's saloon.

Marbotta

The captain of the patrol ship that carries the emissary team, and as such, the chief emissary, Marbotta seems fairly reasonable with the exception of a clear disdain for mutants.

Others

These are the peoples of the Peninsula who seem to belong to no place or tribe.

Ilkha

A sorcerer of renown across the Peninsula, Ilkha is said to originate villages from her flying temple. She was responsible for disrupting the ceremonies to determine a new chief at Bay Village, by taking the two lead competitors (leaving Lafiana as the only remaining competitor, and a thorn in Kurzor's side).

Doc Potamus

Renowned across the Peninsula for his ability to bestow cybernetic and genetic enhancements upon those who seek him out. Leyel has confirmed that it was Potamus who bestowed her mother with cybernetics.

Lindar

Mercurial Rhinoid, known as being a staver, and likely a member of the Zooprematics (or at least a sympathizer).
