### **Note: Passers**

When a NPC is listed as a "PSH" (Pure Strain Human, one with no mutations) this denotes that this is how they present themselves. Some mutant humans, to enjoy the privileged status that PSH individuals have in many communities may, if they have no outwardly appearing mutations, hide the fact that they have mutations, and pass as a PSH. Thus a character listed as a PSH may actually be a mutant human passing ("Passers" in the parlance of The Lands) as a PSH, or simply appear as a PSH on first contact.

The Show

The NPCs traveling with The Show.

Guards

The Show employs guards to keep everybody safe, as few of the merchant PCs or crew are particularly good at flighting.

Elikir

Elkir was originally a member of a community from the western reaches, but they were wiped out with few survivors who were scattered to the wind. She now uses her pyrokinetic powers and flighting skills to work as a guard for hire, and she's been with the traders for much of the current journey. She mostly keeps to herself, but has proven quite bold on the couple of occasions that the group has been threathend, clearly acting with a bit of fatality.

orp is a burly gatoroid that the group picked up much more recently, hailing from one of the nany villages of his kind in the southern coastal swamps. Unlike Elkir, he's quite talkative when

many visuages or in so amount of it is just part of the variation of his kind, but he's far toughe it's hard to get han his kind seen to usually be land they tend to be pretty tough and strong, at the seat according to the mutant human who put you in contact with him the currently visides, all go piece of metal he found on the road (before that he used a wooden club), and he's been asking t

Forp is simply adventurous, and wants to see the world a bit and make his fortune before retu home to his swamp village to find a mate.

Crew
Most of the crew are nameless currently.

Formerly a perennial challenger for the chief position in Bay Village on Horse Bay allana was convinced that her talents would be of more use as a member of the crew of The how. She is now interested in possibly becoming leader of Khovip's mining operation outside of rulpport.

Mutant mouse-oid, likely an archivist, who followed the PCs into the aquatic base. Lanu has been convinced to travel with The Show to Grubport by Hoff. Apparently Ferid (below) is looking for Lanu for some reason.

Shorty is a bot from the aquatic laboratory near Bay Village on Horse Bay (part of mplex formerly run by the Pylon God CAM that spans the bay).

Grubport native from a formerly important family, Khovip is a mutant human. Has itted an "ancient mine" from his father, which makes him suddenly wealthy and important. He lecided to hand over operation of the mine to Lallan, however, so that he can travel with The 4, and has removed himself from the matchmaking this year.

khovip is singularly well travelled amongst the folk of the Penninsula, having been to the Citadel of Thought, and the Kreal home cave, amongst many places. The Grubport locals seem to think his soujourns in the Central Lands have made him effect, despite clearly actually being a pretty touch customer is nown ways. Thankful to holf for guiding him with regards to the matchmaking and his estate, and getting him on board The Show.

Son of Olkan, and likely next to rule it. Seems simultaneously prejudiced and provincial, and yet open-minded enough to think that maybe Kaiser Urs isn't the worst thing that could happen to the Pennissuls; and also not all that interested in taking a mate. Happy that Squiddy convinced his father that he should be allowed to wait a year before marrying by taking him on The Show.

The leader of the male hissers who managed to break away from their queen. as first discovered, relaxing on the floor of Mazarin's basement.

Male servant of Loosis, Coorsis had been tasked with helping the PCs find the roke free of Loosis' control. mutation from the base hisser stock, with colorful crests on his head and arms.

sibly more accurately referred to as cargo than a passenger, Zeebell is a ed warrior android first encountered at the aquatic lab base near Bay Village on

### Grubport

The head of the Urag family, the rulers of Grubport. While putatively run buy a council of elders of the most important families of Grubport (who make their homes upon the deck of the old ruined aircraft carrier that comprises Grubport), this family is deferred to by all of the others. According to sources, Urag is garnering weapons to create some sort of

Young Urag is the son of the elder. He is clearly fond of his vices, and not a skilled eler, having lost considerable trade chits at the gaming tables at The Famous Root and

Daugher of the elder Urag, this one is cold, vapid, and grasping. Not particularly bright, her only thoughts are of her own security and comfort. She previously sought to marry Khovip to obtain the wealth of his mine.

Betsk

Matriarch of the Betsk clan, brought relatively low a couple of generations ago by the Urags. She is seeking help getting Urag to get Chersh to give her son a good match of a wife. Young Betsk

The charming son of the Betsk matriarch, he is taken a bit with eenstream's Daughter, but worries that she may be a mutant.

Chersh

A "Socretess" who works with Urap and the other families of Grubport to natain order. She runs an annual matchmaking testival at which she matches members of relative families of the Periansular Tribes together by word from Dowin. At the most of a relative to the present. One of the priesthood of Dowin in Grubport. This one came into The Famou Root and gave a doomsaying type proclamation about the fact that Raymount's power was

Leader of a group of Grubporters who perform religious skits at festivals and ott various events. Asked if his group could play on the stage of The Show, and was manipulated by Squiddy into arguing with Herald M'kan about matters of belief. Clearly a devout Downink.

Rumored to be from Army Crossing, Alitec is suspected of being an somewhat of an agent provocatuer, or at least a criminal sent in by one of the border lords to sow chaos. Alitec is known to un agents of chance, including "table-races" of small mutant animals at The Famous Root, and knows how to get in touch with Doc Potamus. Urga suspects Alitec of being involved in much more nefarious stuff than just gambling, and wants his lik out of Grubport.

Proprietor of The Famous Root, the only drinking establishment in Grubport Victoror's father was the only surviving member of an expedition to the ruined city in which bar is named, and which hange on it's wall, dripping so continually from which' vine write is made, a potent concotion that has variable effects on different drinkers, but is clearly linked to Skytharch's immense mental abilities.

## Archivists The archivists are thought to have a lair somewhere in the vicinity of Grubp

### Peninsula Tribe

This section covers members of the tribe from outside of Grubport.

Visiting Grubport

The following Peninsula tribe folk are visiting Grubport currently, because of the festival of matchmaking that is going on there.

Takalk

overall thinking peoples of the peninsula, Takalk is a boy of 16, and was considering his options for marriage, despite his father thinking he should walt. Takalk is all boy of 16, and was considering his options for marriage, despite his father thinking he should walt. Takalk is glid but that PCS gave him the push to take the plunge. He's a bit bewildered by his (much older) match, Olkan's Daughter, but willing to do what the plunger has been been also unaware that there was any chicaney involved or that the matches were anything but Down's willi). One gets the feeling that he's trying to grow up very fast.

Head of the Olkan family from the village of Stonefield. A former captain of the Peninsula Guard. Olkan is fairly set in his ways. He was very interested in marrying off his children, and particularly uncaring of his daughter's desires. However, Olkan is delighted that his daughter is married off to the son he daughter is married off to the son he daughter is married off to the son he daughter has he will be that he owes the PCS, but he's now generally favorably disposed towards them because of the dealings regarding his children.

Olkan's Daughter

A bit overwhelmed to now be married off to the son of the Chief, but willing to do Dowin's will, no matter what. Her works after the event peg her as being rather devout, and pleased that she at least has such a pure mate.

Greenstreams

The elder of the village of Greenstream was in the dark about... Dowin being dark... so they have no change in their opinions of the PCS as a result of the matchmaking. However they are in good spirits as their daughter has a reasonable match, and their young son has an excellent match. They were thinking it wouldn't turn out this well.

Cany AKA Breck

Going by the name of Breck, rumor has it that this mutant's real name is Caag, and he's ted by somebody to slay Herald M'Kan.

## The Patrol

Comprised, apparently, of a handful of squadrons of mounted armored pure strain humans, the unit that he PCs his met is lead by one Lieutenant Sone. They claim to protect the entirety of the Peninsula (which see not include Alalit), apparently with the seat of their government being in the center of the Peninsula, leterant Sone.

Peninsula at Large

The people below do not seem to be attached to one place.

Restorationist Emmisaries

Clearly seeking to gain influence in the Peninsula, this team comes to the coastal settlements regularly from the Restorationist enclaves to the East across the waters.

The captain of the patrol ship that carries the emmissary team, and as such, the chief emmisary, Marbolla seems fairly reasonable with the exception of a clear disdain for mutants. lso pictured, Marbolla's ancient hover-gunboat.

temple. She was responsible for disrupting the ceremonies to determine a new chief at Bay Village. By taking the two lead competitors (leaving Lallana as the only remaining competitor, and a thorn in Kurzor's side). She now has Kiki's brother captured, last seen taken into her flying temple.

Renowned across the Peninsula for his ability to bestow cybernetic and genetic enhancements upon those who seek him out. Lyeel has confirmed that it was Potamus who bestowed her mother with cybernetics.
