Note: Passers

When a NPC is listed as a "PSH" (Pure Strain Human, one with no mutations) this denotes that this is how they present themselves. Some mutant humans, to enjoy the privileged status that PSH individuals have in many communities may, if they have no outwardly appearing mutations, hide the fact that they have mutations, and pass as a PSH. Thus a character listed as a PSH may actually be a mutant human passing ("Passers" in the parlance of The Lands) as a PSH, or simply appear as a PSH on first contact.
