Name: June Forte

Sex:

Description: short hair, on the taller side, broad shoulders. White, brown hair. Not like, well dressed, but trying. Lots of plaid. Glasses for sure. Heavy rimmed, thick prescription

Attributes

(Distribute 36 points across these. Empathy costs two for each instead of one.)

- Career

Skills

(distribute 45 points between skills and gear, based on how they were obtained from each phase).

- This
- That

Gear

(distribute 15 points to gear. Points not spent on gear may be spent on skills instead, but they may not stack higher than the limits that the skill would have given how many phases it was obtained in.)

- Thing 1
- Thing 2

Contacts

(The player may select one contact from each phase of their development, related to that phase. These may be held until after generation to be fleshed out at need, and where plausible.)

- Her
- Greg - Early school, she ran with some small-town punks who got into regular fist-fights with racist shitheads. Greg was someone she ran with then, and still calls upon. Probably the crux of a lot of her early radicalization, too.
- They
- Him
- Her
- They

Personality

Passion

4

Hinderances

(replace the placeholders below with any ongoing hinderances carried by the character)

- Pain
- Suffering
