

Paklish, Magic in The Realm of the Setting Sun

This page is all about magic in the realm of [From Gods to Gold](#). It is named after the word that means covenant in the old tongue of the High Mountain Men. Paklish (say Pahk-lish) was the thing that changed the land, it was the deal that was struck between the First Ones and the High Mountain Men in the time before time. After that, most all magic has been shaped by it.
