

# Weapons and Armor

**HAT**, or *HP - AC - TWENTY SIDED*, is a roleplaying game that shares three basic concepts with D&D but diverges from there. The three concepts kept from D&D are obvious from the title: HP, AC, and the D20 roll. However, each is expanded in scope.

This page explains a system for weapons and armor in HAT. Its only one of a few, but it is the default one unless you select an alternate.
