In Media Res

- * Karbon **&** Khrome Karbon: **The human form before modification. Fierce flesh, but fragile Flesh. The raw clay of creation.** Khrome: **Human 2.0, cybernetics that wire the mind, add chrome and steel to the limbs and body, and the wonders that technology holds for tomorrow's humans, today.** Karbon & Khrome**_Italic Text_ is an Old School style cyberpunk game, harkening back to the 80's in form, function,

and spirit.
