Experience:

Spend 4 to buy +1 Skill Mark. Spend 10 to buy a new Gift.

Notes:

-
- Ambidexterity Gift makes your Prehensile Feet as good as main hands, so Fusil-Feet are go :smile_cat:
-
- This build is a Scout first, fate magician second. If you'd like it the other way around, with wizarding being the core with sniper being a side gig, I can retool it!
-
- Personality, Motto, and Goal are not things I can readily do for you (though happy to kibitz about!). Personality should be a one-word character trait: Greedy, Boastful, Courageous, whatever. Motto is literally that, a pithy phrase or sentence that expresses the character's outlook. Goal is some concrete thing you want to accomplish in the first session or two.
-
- Fusileer's Trappings provides a fusil and two pistols. Grenades will probably need to be bought on a per-job basis.
