

Timeline of Calabria

A timeline of known events in the history of Calabria and it's world.

Prehistory

Circa 2000 YA - Doloreaux arrive in Calabria, possibly the first thinking species to arrive, possibly from Avami.

Doloreaux enslaved for three centuries. They are freed by a hero Bruge, who rules for a long time. These legends as enumerated by a priestess Clairmunda become the basis of Lutarism.

Circa 1000 YA - Phelans arrive

Phelan War With The Goblins

s'Allumer Reckoning

Circa 530 - 590	A charismatic Bianféal chieftain named Gaisce Mac Roth adopts feudalism and a desire to modernize. He adopts coinage, removes the druids from their lands, and begins to attack other houses. Gaisce dies and is succeeded by his son Slaine, who continued his fathers plans. Slaine dies and is succeeded by Riddock Déanamh-Gaisce. Riddock ends the Tuath na Bianféal, and establishes himself as King Riddock, Lord of the Western Wood, and his bloodline to be known as the Bisclavret. They attack Rinaldi holdings and the Rinaldi go to war with them, but are defeated. Don Fabroni is forced to sue for peace, and recognizes the Bisclavret as a Great House. Riddock adopts s'Allumer, and bans druidism further. Druids go underground becoming bards. Riddock rules for ten years and is succeeded by his son Raldred, who continues expansion to where the borders are today.	Bisclavret
Late 600s	Emergence of the Bisclavret as a continental power.	Bisclavret
