- 55 Hypertech Body 3
  - When the agent commits to the behavior “doing something a human can’t” they earn +3 steps to their conflict.
  - On a break roll result for prowess they may elect to burn a fortune and roll it for a 4+ chance of winning the conflict.

Body Overhaul:

- 15 Vermillion
  - When an agent rolls low (result of three or less) during any Fight applicable conflict, they may burn a fortune to make that result instead count as a 4.
  - If the agent commits to the behavior “glowing red hot” they earn +1 steps to Fight applicable conflicts
- 21 Lunar Lightwire
  - When an agent rolls a break on any applicable conflict using Fight, Prowess, or Prowl, they count their level as three higher for this conflict if they expend the lightwire.
- 21 Solar Lightwire
  - When the agent commits to the risky behavior “acting without regard to injury” they earn the steps to Fight or Prowess applicable conflicts. If the agent suffers injury or a physical condition (minor or otherwise), they then treat their levels as three higher for this conflict if they expend the lightwire
- 3 Shamrock

NOTE: Lightwire may only be recharged by spending 3 steps of kcreds (6 kcred) from an agent’s card.
