2d6 Result	Defined Trade Good	Unit Increment	Base Price GP
2	Lot of Fowl	1d6 x 10	2.5
3–5	Goats/Sheep	1d6 x 8	4
6–8	Donkey/Mule	1d6 x 6	8
9–11	Ox/Cow	1d6 x 4	15
12	Guard Dog	1d6 x 2	25

Animals have the advantage that they can be driven, and so do not take up cargo space. Horses are like cars in that there is a lot to purchasing one, and prices will vary quite a lot depending on a number of factors. Each such animal must be purchased individually using the prices on the list, and often will be unavailable for general sale (meaning that the price will be extremely high).
