Rites

Below is a list of Rites that Afazan has been shown to know how to perform:

Rolrin's Blessing of Taking Firm Root

Usually used to ensure planting (typically gardening sort, the effect isn't widespread enough to benefit grain fields) goes well and results in hearty vegetables, it also happens to root Mandragores pretty effectively.

Summon Fae of the Dentition Tribe

Used by Afazan to perform extraction of bad teeth (usually for a reasonable charge).
