

Black of Space, GM's Toolbox

This is a handbook of suggestions for situations and rolls, sort of a playbook for the GM. It is a supplement for [These Are The Voyages](#), a [LUPUS](#) game.

Situation Keywords

Situations have zero to three keywords (and rarely more). Here is each keyword, and what it means in the game.

Situation Rolls

Here are some tips and tricks for handling rolling in the game, mostly inside situations.
