

# Black of Space, GM's Toolbox

This is a handbook of suggestions for situations and rolls, sort of a playbook for the GM. It is a supplement for [These Are The Voyages](#), a [LUPOS](#) game.

## Situation Keywords

Situations have zero to three keywords (and rarely more). Here is each keyword, and what it means in the game.

## Situation Rolls

Here are some tips and tricks for handling rolling in the game, mostly inside situations.
