

# Frigate Class Starships

Back to [These Are The Voyages](#) or [LUPOS](#)

The destroyer is the warship of the line, the vessel that the Earth Fleet calls in for action. When an engagement goes down, you can bet a destroyer will be present. These vessels have almost no hold, and can't carry anything, but have great Lightspeed and fighting capacities. They are rarely seen alone though, and act as support vessels for [Frigate](#) and [Cruiser](#) classed ships.
