2025/10/13 19:08 1/2 Mike Holmes

Mike Holmes

A somewhat ok guy, and runs a mean game of HQ and Chronica Feudalis.

RPG Designs

- Halflings a RPG about little furry footed folk, and their food-filled fun.
- LiveHack everybody else is doing it, so why not! In LiveHack, there whole world is nothing but one endless dungeon... or is it?
- Byzantine what is your character's place amongst the teeming masses of the Great City? Where are they going? What will they discover on the way?
- Overheard at the Black Boar A design that prompts players to create the world of play to develop their characters.
- Overheard at the Tavern A design that prompts players to create the world of play to develop their characters.
- Underworld a Dungeon World hack.
- Wild Lands A Dungeon World supplement.
- Dungeons of Dangers module adventure game.
- Caravan a media-driven RPG.
- IRC Burst Play a simple set of rules designed for short bursts of IRC play.
- Brazen Epoch risky adventures in a fantastic world.
- Waking Cities technician citizens aboard walking cities try to appease the ruling elite, but risk ending the world to do so.
- The Will to Power fight or persuade, you have to pick one or the other on your way to power.
- Gear a game about getting powerful with stuff that's more subtle than it sounds.
- D&D Refined Mike's version of D&D
- Panorama art-driven play of adventurous envoys across a fantastic world
- Speed Dungeon or how to get through a dungeon map in short order.
- SD2 another take on Speed Dungeon.
- Fair Play another take at a media-driven game that revolves around world-building.
- Deck Builder Resolution System
