Nate B is mostly a fiddler, but sometimes takes a stab at designing a game. Recently he's been working on "Nate's Sword & Sorcery game that's based on The Will to Power concept!".

The Loop - rules and playtest for another stab at Nate's WTP concept.

Talislanta - latest campaign

Palace Zero - Welcome to the palace of the Prince. Why have you come? Will you get what you want, or end up paying a dark price?

Yam!
