

# Steps in Paradox

**Paradox** is the latest attempt to create a viable system for **Karbon**.

There are 30 Simple **Steps**. 24 are split between the 12 Duties specifically and 6 are shared common steps.

## Common Steps

---

### Audacious Stunt

When you **attempt a daring physical stunt to avoid harm or an obstacle**, roll 5+. If you succeed, **you avoid harm or the obstacle**. Otherwise, **you suffer Peril**.

- Speed: *Minimal or Seconds* - Sidestep: *Free*

### Brute Force

When you **use physical force to confront someone or overcome an obstacle**, roll 4+. If you succeed, **deal harm or progress towards the target**. Otherwise, **pay Cool or you suffer peril**.

- Speed: *Minimal or Seconds* - Sidestep: *1 Cool* -

### Help/Hinder Other

When you ?, roll 4+. If you succeed, ?. Otherwise, ?.

### Mark Detail

When you ?, roll 4+. If you succeed, ?. Otherwise, ?.

### Play Other

When you ?, roll 4+. If you succeed, ?. Otherwise, ?.

### Work Intuition

When you ?, roll 4+. If you succeed, ?. Otherwise, ?.

## Handling Steps

---

These steps are all focused on handling other people.

**Coerce Other**

**Inspire Other**

**Interview Other**

**Lead Other**

**Persuade Other**

## Knowing Steps

---

These steps are all focused on knowing something that will offer advantage.

**Know Details**

**Know Keys**

**Know Leader**

**Know Somebody**

## Running Steps

---

These steps are all about running. Running in the Karbon world means: owning, dominating, or taking control. So if you Run the wire, you take control of it.

**Run Silent**

## **Run Smart**

## **Run Syndicate**

## **Run Tactical**

# **Working Steps**

---

These steps are all about working something in order to gain advantage from it.

## **Work Angle**

## **Work Expertise**

## **Work Hardware**

## **Work Network**

## **Work Science**

## **Work Shadows**

## **Work Syndicate**

## **Work Wire**

# **Focused Steps**

---

These focused steps are very specific in intent.

## **Examine Details**

## **Explain Science**
