

# Steps in Paradox

[Paradox](#) is the latest attempt to create a viable system for [Karbon](#).

There are 30 Simple [Steps](#). 24 are split between the 12 Duties specifically and 6 are shared common steps.

## Common Steps

---

### Audacious Stunt

When you attempt a daring physical stunt to avoid harm or an obstacle, roll 5+. If you succeed, you avoid harm or the obstacle. Otherwise, you suffer Peril.

- Speed: *Minimal or Seconds* - Sidestep: *Free*

### Brute Force

When you use physical force to confront someone or overcome an obstacle, roll 4+. If you succeed, deal harm or progress towards the target. Otherwise, pay Cool or you suffer peril.

- Speed: *Minimal or Seconds* - Sidestep: *1 Cool*

### Help/Hinder Other

When you ?, roll 4+. If you succeed, ?. Otherwise, ?.

- Speed: ? - Sidestep: ?

### Mark Detail

When you ?, roll 4+. If you succeed, ?. Otherwise, ?.

- Speed: ? - Sidestep: ?

### Play Other

When you ?, roll 4+. If you succeed, ?. Otherwise, ?.

- Speed: ? - Sidestep: ?

## **Work Intuition**

When you ?, roll 4+. If you succeed, ?. Otherwise, ?.

## **Handling Steps**

---

These steps are all focused on handling other people.

### **Coerce Other**

### **Inspire Other**

### **Interview Other**

### **Lead Other**

### **Persuade Other**

## **Knowing Steps**

---

These steps are all focused on knowing something that will offer advantage.

### **Know Details**

### **Know Keys**

### **Know Leader**

### **Know Somebody**

## **Running Steps**

---

These steps are all about running. Running in the Karbon world means: owning, dominating, or taking control. So if you Run the wire, you take control of it.

**Run Silent**

**Run Smart**

**Run Syndicate**

**Run Tactical**

## **Working Steps**

---

These steps are all about working something in order to gain advantage from it.

**Work Angle**

**Work Expertise**

**Work Hardware**

**Work Network**

**Work Science**

**Work Shadows**

**Work Syndicate**

**Work Wire**

## **Focused Steps**

---

These focused steps are very specific in intent.

**Examine Details**

## Explain Science

## Design Solution
