## **Current Matters**

- The name revealed by the man who sabotaged the ship by blowing up the powder kegs said that you would someday have to deal with one Captain Duvalle... who is that?
- Madame Khepri, who runs a shop called the Dead Lantern Den, wants to purchase the Ourogan artifact collection that was looted from the Elan, which is currently in the possession of Lady Bissette. She's offering 8 Coin for the collection, plus information she says Eshaal will need to continue on the path to finding her father.
- Madame Kephri also reported that there is a shady individual who she had a vision of on Lighthouse Island with Tariq, who she says has followed the Gorgon to Pelican Rock, and is watching the ship.
- Gaspar's sister Lucia is intent on completing the project started by the Sisterhood, using the artifact that she recovered from her.
- Gaspar wanted for questioning by Bellows. (Gaspar had received a note saying that somebody
  has seen him letting the Fox escape from the deck of the Crooked Keel, and will tell Edward
  Bellows if Gaspar doesn't leave a letter with Saskia the Widow detailing what it is that Bellows
  wants from the Gorgon.)
- Lady Bissette has a curse that has to do with her fading in and out of time. There is a lead on the location of an artifact called the Chronomare Pearl that Bissette wants the Gorgon to obtain, which she believes can help cure the curse. The lead is to a sunken ship in the Hollows called the Eclipsed Star.
- House Carrascaros has more missions for you to promote their cause.
- Nicolo knows of a House Pavoni plantation in the Agosotines that's ripe for plunder.
