# Current Matters

- Edward Bellows, captain of the Razor, wants the Gorgon to loot as many cannon as they can from the Redcliff Company warehouse in Bastion.
- The Fox says that Lady Bissette wants the Razor stopped from pursuing it's current intent, which is to sink one of the ships belonging to the Golden Lilies.
- The name revealed by the man who sabotaged the ship by blowing up the powder kegs said that you would someday have to deal with one Captain Duvalle… who is that?
- Madame Khepri, who runs a shop called the Dead Lantern Den, wants to purchase the Ourogan artifact collection that was looted from the Elan, which is currently in the possession of Lady Bissette. She's offering 8 Coin for the collection, plus information she says Eshaal will need to continue on the path to finding her father.
- Madame Kephri also reported that there is a shady individual who she had a vision of on Lighthouse Island with Tariq, who she says has followed the Gorgon to Pelican Rock, and is watching the ship.
- Silvio Carachi wants a shipment of Opium (which he sold to Marchand) stolen from Marchand, or from whomever Marchand is delivering it to, so he can sell it yet again to an even more profitable buyer.
- Gaspar's sister Lucia is NOT happy about not getting to be captain, and other slights she has experienced previously. She had threatened to reveal information about Lady Bissette and some implied intrigue that she said would damage Bissette, and now has no reason to hold back the information.
- Gaspar has recieved a note saying that somebody has seen him letting the Fox escape from the deck of the Crooked Keel, and will tell Edward Bellows if Gaspar doesn't leave a letter with Saskia the Widow detailing what it is that Bellows wants from the Gorgon.
