

SNATCHED

SNATCHED - Code Sheets

In [Snatched](#), Aliens have come to invade Earth, and what's worse is that they look like us. Come join a ragtag band of unlikely heroes in this Roleplaying Game as they attempt to thwart the aliens plot. The catch: anyone might actually be an invader.

This is the reference needed when you play the game. Below are some tables & charts with rules to reference as needed.

The Stage

When you decide from the options below, record your choice onto the shared document/pages of the game. Those recorded rules apply as triggered while you play.

The Place: Total

The Place: Privacy

The Place: Security

The Time: Technology

The Predicament: Danger
