

# SNATCHED

## SNATCHED - Code Sheets

In [Snatched](#), Aliens have come to invade Earth, and what's worse is that they look like us. Come join a ragtag band of unlikely heroes in this Roleplaying Game as they attempt to thwart the aliens plot. The catch: anyone might actually be an invader.

This is the reference needed when you play the game. Below are some tables & charts with rules to reference as needed.

### The Stage

#### The Place: Total

#### The Place: Privacy

#### The Place: Security

#### The Time: Technology

#### The Predicament: Danger
