The Moon - Nowhere to Hide

The lunar part of the Dark Conspiracy: A Midwestern Moon campaign.

There is a battle for control of the moon. By whom and why? And can our heroes find their way out of the conflict alive?

Player Characters

Dark Conspiracy Character Template

Adrian's Character

Escaped cyborg, seeks to deliver any in bondage to freedom. The logic is not quite human, however, so the results aren't always what one would expect.

Corporate Asset #24601 "Mr Byrd" (Nate)

An operative for a corporation known as NSA, which are enemies of TojiCorp.

Character sheet for: 24601

Devlin (Lxndr)

Escaped alien abductee, trained neuropath. Used to do covert ops for the aliens, now on the run.

Character sheet for: Devlin

Shreyas' Character

A grower who wants to keep to himself.

Non-Player Characters

Root - NSA executive apparently interested in finding Devlin. Sent CA #24601 to find her.

Viktoria - TojiCorp employee who is not as human as she appears.

Buck - Friend of CA #24601 who used to run a black market shop on the moon before he had to flee.
