Phases

- Background: Parents are “corporate employees”. Not sure exactly where in the hierarchy. It wasn't discussed, but it can be said that they often had many bigwigs at their house for parties and such. Buys into the whole corporate life message fed to the world
- School or Career: Graduated from college with a bachelors in Journalism. Hired on with corporation in LA.
- Advanced Schooling or Career: Advanced into a higher position in the corp media life. Trusted “Investigative” journalist
- Investigated too deeply into Vishanti Corp and saw some things she shouldn't have
- Was “hired” and flown to Chicago headquarters by Tojicorp. “hired” meaning her parents got her the job so she wouldn't be killed in LA
- Recently was investigating a “terrorist” attack in the city and experienced things that are making her question the reality she has been told
- Exposure to whatever she saw triggered previously unknown empathic powers.
