

# Paramilitary Footman

A [Concept Agent](#) for [Karbon](#).

## CONCEPT

The Paramilitary footman was an accomplished fighter, part of a mercenary or corporate combat unit before being recruited by the program. Once they were, the trainers of the program saw their potential and raised their abilities to a whole new level. The highlight abilities of the Footman are Fight (with some Savvy too!) and the gear to back that up.

## OPTIONS

(4 points)

- [Body Overhaul](#): Raise all your immunities one step. At the end of any scene where you have seven or more fortune, you have a 4+ chance of losing one.
- [Deep Instruction](#): How did the agent get this special instruction?
